COUGARS VS. MARIN CATHOLIC HERE FRIDAY

On Friday, at 3:30, the Albany Cougars will initiate the local football season as they take on the Marin Catholic Wildcats. Last year the locals were beaten in a close game at Marin Catholic and are out to avenge this defeat.

Saturday the Cougars participated in a 3-way controlled scrimmage at Crockett with John Swett and St. Elizabeth's. The Albany coaches were quite pleased with the results of this scrimmage and feel it has helped the team gain the experience to cope with the Wildcats.

Vying for quarterback honors this year for the Cougars are Sophomore Bob Fisher and Senior Marc Granko. The rest of the backfield will include Bruce Schreffel and Rich Goforth at halfback and Steve Valenzuela and Shawn Ridley at fullback.

On the line blocking for the backs will be Curt Pihl and Peter Heymans at tackle; Tom Scott and Bruce Corey at guard; and Dave Potts at center. At the ends will be Vaughan Nordby and Jim

Price. A pleasant surprise has been the work of John Whitman with his specialty, the field goal. John has been kicking them from up to 40 yards all week.

On Friday at noon, the cheerleaders and pom pom girls will conduct a rally at the high school, and a large turnout is expected to get the Cougars off on the right foot.

Note of Thanks

Today the Albany Times begins its 34th year of continuous publication.

We would be remiss if we did not acknowledge the friendship and support of our advertisers who have made this milestone possible.

David McKenna will show slides of Austria, Switzerland and Germany taken by the McKenna family on their tour of Europe at the meeting of Live Wires at 7:30 p.m. Friday in the Friendship Room of Security Savings and Loan.

Inter-Club Council Rummage Sale Set

Albany Inter-Club Council has announced the first annual rummage sale will be held Friday and Saturday, Oct. 25-26, at Albany Community Center in University Village.

Those having rummage they wish to donate may leave it at the Kains entrance of Ellis-Olson mortuary.

Proceeds will be used for a citywide Christmas project.

CORNELL PTA MEETS TOMORROW AFTERNOON

Cornell PTA will hold its first meeting on Thursday, Sept. 19, at 1:30 p.m. in the Cornell Cafeteria.

As part of the Albany Schools' Family Life-Sex Education program, fourth through seventh grades of Cornell and Marin schools will again be shown the educational TV series "Time of Your Life" during this school year.

In order that we, as parents, understand what this program is about, and be prepared to answer any questions the children may ask, Cornell PTA is very fortunate

in having Mrs. Betty Ann Berkman and Mrs. Marilyn McCurdy of KQED who will give first-hand information on this series and answer any questions.

Not only will this series be under discussion, but Kenneth Forry, superintendent of schools, and William Woolworth, director of education, will be on hand to give information on how the new Family and Social Life program is coming along.

Because this is of importance to all parents, we urge all of you to attend this meeting. Baby sitting will be available.

Family Performance

Melanie, Eric and Ken Fine, 924 Ventura, demonstrate the activities of three Albany agencies of the United Bay Area Crusade for Mayor Richard O. Clark, right, who proclaimed Sept. 9-13 as "Crusade Week."

During "Crusade Week" which launches the annual campaign to raise \$16,500,000 for 178 agencies, a series of special events will be held throughout the five counties with the high light of the week in the East Bay being a giant rally to be held in Lakeside Park on Thursday, Sept. 12. The theme will be an 1890 political rally with a parade of antique cars, a callopie and beauty queens.

As members of one family, the young Fines are eloquent spokesmen for Crusade agencies. Fifth grader Melanie, the least warlike member of the family, is a Trail-seeker in the Cordonia Council of Camp Fire Girls and proud of her work in hospitals. Eric, sixth

grader, is in the YMCA judo class and has already earned his yellow belt. Big brother Ken is a Star Scout in the Albany Boy Scouts, troop 12. He has earned a green belt in judo and seems to enjoy his workout with brother Eric. Dr. Theodore Cleveland, left, North Alameda County regional chairman for the drive, was absorbed by the performance and wondered if, perhaps, it might suggest new possibilities for approaching the contributor.

Proclamation

WHEREAS: PEOPLE NEED HELP is the 1968 United Bay Area Crusade theme for a campaign to raise \$16,500,000 in five counties; and

RESOLVED: As Mayor of the City of Albany and on behalf of its administration, I hereby designate the period of Sept. 9 through 15, 1968, as "UNITED BAY AREA CRUSADE WEEK" in Albany, and urge support by our citizens toward achievement of this goal recognizing that PEOPLE NEED HELP.

Learn from Past; Look to Future Aim of Chamber

At the regular monthly meeting of Albany Chamber of Commerce Board of Directors Tuesday morning, it was decided to learn from the past and look to the future.

Noting that a check is due any day from the bonding company covering losses through the action of the former manager, directors began seeking long-term goals and objectives.

A special meeting to discuss these goals has been called for 8 a.m. next Tuesday morning by President Elmer Coble.

Action on another "Sweetest Day" promotion was deferred to that meeting.

In other matters, directors discussed a membership campaign, hired Irene MacWilliams as interim secretary, decided to hire a janitor and heard William Garren report on the status of the Solano Avenue Lighting and Beautification project.

Garren said the city and committee are awaiting further cost figures from PG&E. He said that primary service lines will have to cross Solano at five different points.

John Pleich, also a member of the C of C committee, said it appears the project is becoming more a lighting program than a beautification program.

Garren was given credit for finding an error in the cost of decorative lighting for Solano. Instead of more than \$300 extra for each fixture, it will be \$81 additional, it was reported.

Chamber directors devoted much of the meeting to a discussion of finances and of tightening control as recommended by the auditor.

Ex-Chamber Manager Gives Self Up

Joseph Neal Clarity, 29, walked into Albany Police Department last Tuesday night and turned himself in on charges of embezzlement, grand theft and forgery in the amount of more than \$3,900, police report.

Clarity confessed taking the funds from Albany Chamber of Commerce and was lodged in Albany jail until last Thursday, when Judge George Brunn set bail at \$6,000 and put the case over until tomorrow, Sept. 12, at 2 p.m. in Berkeley-Albany Municipal court. At last reports, he was in county jail.

CITY COUNCIL WRAPUP FOR TWO MEETINGS

The following report concerns matters on Albany City Council agenda for last night and high lights of the minutes of the Sept. 3 session.

Because of holidays, both meetings were on Tuesday nights.

Last Night

To have been discussed last night were communications from

William I. Garren, chairman of the Solano Avenue Street Lighting and Beautification committee, suggesting more study concerning overhead wiring in the project and from Administrative Officer James B. Turner concerning establishment of a special assessment district on Masonic Avenue and BART beautification on Masonic.

Among "held over" items expected to be considered were the "Watson Amendment" ordinances concerning the office of administrative officer and creating a division of administrative services and finance director; resolution authorizing for a 90-day trial period of the installation of stop signs on Masonic, Evelyn, Talbot, Cornell and Stannage at Garfield.

Council may have acted on the Masonic Underground Utility district, which has been held over since Aug. 26.

Last Week

Several important actions were taken at the Sept. 3 meeting.

Council reacted favorably to the request of residents and decided to try the stop signs on four streets at the Garfield intersection, despite recommendations of Turner and Police Chief R. M. Jensen to install yield signs on Garfield at the various intersections. Councilmen also said traffic to the Plaza should use San Pablo Avenue rather than Albany residential streets.

Bette Rhodes was continued as Acting City Clerk for another two weeks. The ordinance providing qualifications for the post of City Clerk was passed to print (see legal today).

A move to stipulate that the city's ballot item concerning the 35 cent tax the city collects for schools would not pass unless the corresponding school ballot item passed, failed 3-2 with Councilmen George Hein and Lewis Howell voting in favor.

Both items will be on the general election ballot Nov. 5.

Mayor Richard Clark was requested to set up a meeting with representatives of Albany Police and Fire Civil Service club to discuss their displeasure with the 1968-69 budget.

Clark was authorized to proclaim Sept. 9-13 as United Crusade Week.

Fire Capt. Tom Brennen was commended by Council for the new hose drying mast, subject of an article in California Fire Chief's Association Bulletin.

The meeting adjourned at 9:30 in memory of Clair W. MacLeod, former mayor of Piedmont, first president of Bay Area Rapid Transit district and of AC Transit District.

Leon Rimov Speaker For BPW

"Albany's Island in the Sun" is the topic of Leon Rimov, architect and city planner, for a talk before members and guests of the Solano Avenue Business and Professional Women at Serb's Tuesday evening, Sept. 17.

Social hour will begin at 6:30, followed by dinner at 7 p.m.

Rimov, who will be introduced by Civic Participation Chairman Irene MacWilliams, is a registered architect in California and Hawaii. Some of his work in the Islands inspired him to incorporate the open-lush Polynesian style of design in some of his Bay Area architecture and city planning work.

Rimov will discuss the Albany waterfront and its potential use as part of the San Francisco Bay Area.

"Albany has many things going for it," claims the architect. "I think there are ideas which Albany should seriously consider." Some of these ideas will be presented to BPW Tuesday night.

Booster Club Meets Thursday

Parents of all Albany school-age children have been urged to attend the Booster Club meeting in Cornell cafeteria at 8 p.m. tomorrow night, Sept. 12.

Albany Booster club is a non-profit organization formed to support recreation and athletic activities in Albany.

Speakers tomorrow night will be Bob Hoyle, varsity football coach, and Mike Scullion, freshman football coach at Albany High school.

Kensington Woman Publishes Book

Lily Krug Alberts of 581 Kensington Ave., Berkeley, is the author of a new volume of poetry entitled "Married to Life." It is subtitled "A Reflection of Thoughts."

Mrs. Alberts, 77, has been a world traveler, reporter, painter and friend of celebrities such as Amelia Earhart and George Bernard Shaw. It was Shaw, she recalls, who after meeting her in a radio station in Capetown, South Africa years ago, invited her to tea and in the course of the conversation inspired her to start writing poetry.

Born in Germany, she married a prominent German cartoonist at 24 and was widowed four years later. It was then, she recalls, that she decided to work her way around the world "to taste life."

The book of poetry is the culmination of nearly a half century of "tasting life." She now lives and writes in Kensington.

The book is on sale for \$2.25 at Books Unlimited at the Shattuck Avenue Co-op Center and is available at Berkeley and Oakland Public Libraries.

BRaille CLASSES BEGIN AT BERKELEY RED CROSS

On Wednesday, Sept. 18, new volunteers in the Berkeley Red Cross braille section begin the nine-month free training course which will qualify them to transcribe material for the blind. Mrs. Mary Wahrhaftig, a volunteer who earned her own braille certificate after completing the Red Cross course in 1957, will instruct this year's class, the fifth which she has conducted.

Under the chairmanship of Mrs. Darrell Woodbridge, 55 women in the braille section contributed more than 12,000 hours last year to transcribing and binding more than 400 volumes. A large percentage of these are texts used by the Berkeley schools and the California School for the Blind, though everything from the lightest novels to technical handbooks are included.

A special project this year is the transcription of the 435 page Social Security Handbook for the use of eight blind employees working in state Social Security offices in a pilot program to find work for the handicapped. Mrs. Beverly Gladden, a blind Service Representative in the Berkeley office is one of those who will

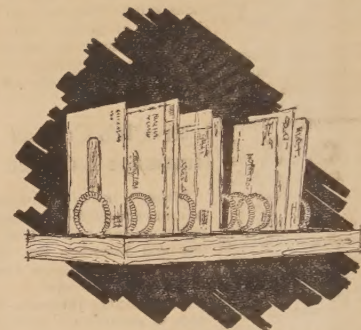

benefit from this project. At the request of two Oakland restaurants near the Opal St. Blind Center, Mrs. Leo J. Graham has transcribed menus for blind customers making it possible for the first time for them to order food without the assistance of sighted friends.

A WRONG IDEA

An old idea that is just as wrong as it ever was, according to the National Automobile Club, is that of driving at pressures lower than those recommended for the tires on the theory that it means better traction.

a letter last week, where can you get so much service for six cents? Think of the people and miles involved in getting one letter from sender to receiver.

SEA VIEW SPADERS

Sea View Spaders Garden club will have the first meeting of the new club year Wednesday, Sept. 18, at Casa Cerrito Recreation center on Portola Drive in El Cerrito. Refreshments will be served at 9:45 a.m. followed by a meeting and program. Featured speaker will be Mrs. Geraldine Larson, speaking on "Penny Pines."

FISH STORY

A boy walked into the police station Monday and asked if it was all right if he fished in the Civic Center pool. He was told there were no fish there, but he maintained he had seen some. A check revealed two five-inch catfish in the pool below the fountain.

Troop 19 Scouts Sail the Bay

Malcolm Smith Berkeley, and David Kelley, Albany, topped off their Troop 19 sailing program by being permitted to skipper two of these small sailing craft on the San Francisco Bay Sunfish Fleet's bay cruise from Richmond to Hospital Cove on Angel Island and return.

Shifty winds off Hospital Cove and a strong breeze accompanied by choppy waves on the return trip demonstrated the necessity of the extensive training they had received.

Starting with capsizing drill in the Albany pool the training continued with Sunfish sailing in J. C. Beery Co. boats on aquatic park during the light winter winds. Instructors were junior members of the Cal Sailing Club and members of the troop's senior patrol. This phase of the training culminated in five of Troop 19's members receiving the sailing merit badge.

Malcolm and Dave completed their training for the cruise by practicing in and off the Berkeley Harbor until they had demonstrated their capability to single hand a Sunfish in heavy chop and winds up to 20 knots.

Alteen Club Elects Officers

David Sannazzaro has been elected president of the Alteen club.

Other new officers include Barbara Paul, vice president; Colleen Moore, secretary-treasurer; Janet Paul, corresponding secretary; Terry Jaramillo, publicity director; Lori Sanchez, decorations; Al Collins, program; John Van Coops, cleanup.

Mr. and Mrs. Harold Van Coops are adult advisors.

The meeting will be convened at 8 p.m. by Noble Grand Ellen R. Wells at Berkeley Odd Fellows' Temple, 2288 Fulton Street. Mrs. Fulton will be escorted by her Deputy Marshal, Mrs. Minnie Miller, and other members of her staff. The Noble Grand has appointed Mrs. Gene Riggs as Good Fellowship chairman for the year 1968-69.

City Library Party

THE BRONC BUSTERS (young Albany readers who participated in the Albany Library summer reading program "Reading Rodeo") celebrated the "end of the trail drive" at a party held at the Library with John Bybee, well known rock folk singer, entertaining them. Popsicles were served as refreshment.

Marin Carnival Workshop Today

A desire to make the Marin Carnival, to be held Nov. 2 a success, is the main reason for the workshops held each Wednesday at the home of Mrs. Robert Nehls, 1025 Ordway.

Marin parents are busy making craft articles and beautiful handmade items for the home-making booth. Also, there is much fun and long lasting friendships are made at these workshops. All new parents to Marin, as well as the old parents, are urged to attend. If it is impos-

sible for you to come, articles are ready to be picked up and worked on at home.

PTA members may donate a salad or dessert for the luncheon served to the workers. Those wishing to do this, contact Mrs. Nehls, 526-6161.

Craft articles needed are velvet crepe paper, gold spray, odd-shaped bottles, old candles or patio candles, gold rickrack and food coloring. If you have any of these materials, bring them and come join in the fun.

A painter by trade, now your neighborhood paint store operator is willing to help you with your painting problems.

He gives free instructions on how to prepare surfaces, paints, varnishes, and the application of a full line of wall papers.

Mrs. Nojima, who exhibited at the library in April, 1967, is a Berkeley artist whose works are popular with the library's patrons. She and her husband, whose work also contains a strong Zen flavor, are prolific potters and are fortunate enough to have their own kiln in their back yard.

Mrs. Nojima has also exhibited at Richmond Art Center, Everson Museum in Syracuse, New York, Pasadena Museum and the California State Fair.

Crusade Week Proclaimed

With a proclamation of Sept. 9-13 as "Crusade Week" by Mayor Richard O. Clark of Albany, Albany today joined in the five county United Bay Area Crusade campaign all out effort to raise \$16,500,000 for its 178 agencies serving over a million people in the Bay Area.

According to Dr. Theodore Cleveland, regional chairman for North Alameda County, the "People Need Help" campaign directs its energies to the problems of minorities, unwed mothers, war veterans, the elderly, the mentally retarded and disturbed, the handicapped and of ordinary families unable to cope with the stresses and strains of an increasingly complex urban area.

High light of "Crusade Week" in the East Bay will be a giant rally to be held Thursday at noon in Lakeside Park, Oakland. The official opening of the campaign will be made with the help of the U.S. Naval band, an antique car parade, a calliope, the Red Garter band and beauty queens from 11 five counties. From Alameda County will be Doris Redman, "Miss Berkeley," Tania Dennis, "Miss Oakland," talented actress and runner up for "Miss California" title, and Carol Lawrence, "Miss Livermore" and

"Maid of Alameda County." In announcing the series of events to take place throughout "Crusade Week" in the five counties Campaign Chairman Jerome W. Hull, president of the Civic Telephone, stated, "This year we intend to make the Bay Area a million people in the Bay Area need the help we provide year, and every year it is getting more expensive to provide help. The \$16,500,000 we have raised in this campaign will maintain the agencies at the present level without expansion or increase in services. It's a minimum figure.

"In addition, last week we had a chance and added two agencies to the roster, the Alameda Prevention Bureau and the Alameda Boys club. We have to the funds to keep them going, and of course, we want to continue—if not add to—financing for the Crusade's summer program with this past summer provided employment for 400 teenagers, job training and recreational opportunities for 20,000. A total \$180,000 was spent for this. It could have done much more, more money, and, as every one must know, much more need be done."

More Helpful Hints From PG&E:

Five handy tips on household safety.

A Little Dirt or Lint

can cause trouble. So make sure that burners and controls on your gas furnace, wall or floor heater are clean at all times. And clean or replace dirty furnace filters periodically.

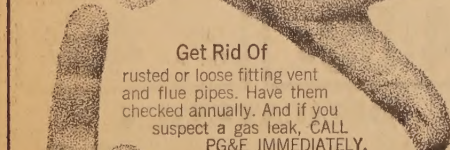

Remember

to replace broken or frayed electric cords. Make sure all electric tools are properly grounded. Never put too many appliances on one outlet. And always discourage youngsters from tampering with cords or outlets.

It's Up To You

to practice good home safety habits. Don't place furniture or draperies over floor furnaces. Don't let gas accumulate before lighting a burner manually. And always make sure the burners on your range are off completely when not in use.

Get Rid Of

rusty or loose fitting vent and flue pipes. Have them checked annually. And if you suspect a gas leak, CALL PG&E IMMEDIATELY.

Once A Year

have your gas appliances thoroughly checked by your furnace man or plumber. While he's there he should make sure safety pilots are operating properly, air openings on burners are clean and burners set for a blue flame.

PG&E Is Ready To Help

If you call for a PG&E service man to check out any gas leak or inoperative gas appliance, ask him to show you where your gas pilots are located and how to go about relighting them. If repairs or parts are ever required for an appliance, call an appliance or furnace service man or your plumber. PG&E Pacific Gas and Electric Company
